## COVID-19 related State aids supporting the tourism industry

(as of 23/11/2020)

List of schemes set up by Member States under the '<u>Temporary Framework for State aid measures to</u> <u>support the economy in the current COVID-19 outbreak</u>' (19 March 2020)<sup>1</sup>. - 75 of them are (almost) exclusively focusing on the travel and tourism industry
- 13 of them encompass a multisectoral measure and a tourism specific measure
- 35 of them are multisectoral schemes mentioning tourism / one segment of the tourism ecosystem
- 131 of them are multisectoral schemes open to / benefitting<sup>5</sup> tourism but without mentioning it.

<sup>&</sup>lt;sup>12</sup> The scheme does not provide a budgetary breakdown for direct grants, guarantees on loans, subsidised interest rates and deferrals of taxes. The combination of these support measures aims at covering the net losses of the airport operators caused by the COVID-19 restrictions from 4 March 2020 to 30 June 2020. German authorities estimate that compensation payments could amount to EUR 1.36 billion. This amount has therefore be encoded under Grants.
